Ms. Bunge,

On behalf of the American Youth Horse Council (AYHC) I would like to congratulate you on your nomination for the Youth Equine Industry Innovation award. There are so many things, people and businesses alike, which contribute to the health and success of the equine industry. The business partners who bring program, product, and knowledge to the many volunteers, youth and professionals in our industry are such a very important partner on this road of success; and I define success as matching horses to people, creating horsemen and women, and allow everyone the opportunity to enjoy a horse in whichever discipline, event, or purpose they choose. And for AYHC, this begins with the youth equine industry. Thank you for your contributions to this effort! I continue to be in "awe" of the contributions each nominee has contributed and "impressive" does not seem to speak loudly enough. Your nomination packet is evidence that your organization is admired and respected and your impact is significant, recognized and appreciated. Thank you for being who you are and doing what you do, it is truly great work.

It is an honor to recognize Miami International Riding Club as the recipient of this year's AYHC Industry Innovation Award. You are a deserving candidate who we are proud to recognize for your contributions to youth and their knowledge, safety, and long-term health in the equine industry.

I would like to invite you to the upcoming AYHC Annual Symposium to allow us to honor and recognize your organization's contributions. The Symposium is Friday-Sunday, March 8-10 in Moscow, ID. You can find out more about the hosting facility and the event at: www.ayhc.com. The awards banquet is Friday evening during the welcoming event at 6 pm. Please let me know if you can attend, we really do hope to honor your amazing efforts.

If you have any questions about your nomination or the symposium, please do not hesitate to contact me at Candi.Bothum@oregonstate.edu or 541-548-6088 x 79540 (Pacific Time) or our Executive Director, Danette McGuire at the address and phone numbers on the letterhead.

Once again, congratulations, on behalf of AYHC we are so very proud of you and those who share your dedication, passion and commitment; those who accomplish and share such great things in this industry. Thank you.

Respectfully,

American Youth Horse Council
